

2010 Silent Auction

Since 1994 the Silent Auction has been the AFA Foundation's most popular event, raising over \$240,000 to support those involved in the advisement of men's and women's fraternities. Your donations help the Foundation to fund projects aimed at strengthening our profession, including research and professional development programs.

All individuals and organizations who donate items to the Silent Auction will be recognized by the AFA Foundation. Donations for non-service items with proof of valuation are tax-deductible. Please join us as we celebrate the Silent Auction's 16th year by making a donation!

Donations received by July 31, 2010 will be publicized on the AFA Foundation website and in AFA Foundation mailings. The final deadline for submitting a donation is Friday, November 5, 2010. A donation form is on the reverse. Thank you!
